Vote NO on Measure EE.

EE is a new \$500,000,000 annual tax on all properties - homes, apartments, neighborhood shops, restaurants and grocery stores - within the LAUSD, averaging \$537 per property. EE will make everything we buy and use more expensive.

EE is UNFAIR to homeowners and renters. Landlords will be forced to pass these increased costs onto renters. This tax will make the housing crisis worse.

EE is UNFAIR to families and children. The district has been mismanaged for decades resulting in low English and math scores, declining enrollment and poor graduation rates. Rather than fix longstanding problems, reform a broken system and control run-away finances, LAUSD is asking for \$6 billion in new money from taxpayers.

EE is UNFAIR to students and teachers. EE has no guarantee that this new money will be spent in the classroom. Hidden in EE is a requirement that new revenue be used for "administrative support." If history is a guide, LAUSD will use our tax dollars on administration, outside consultants and pension debt.

EE is UNFAIR to taxpayers. LAUSD says that it's not getting its fair share of state education funding. Instead of having the state fix that, district bureaucrats put the whole burden on our backs.

Reform First!

We need real education reform and better district management before we give LAUSD more of our hard-earned tax dollars.

This bailout scheme will only remove the pressure to reform, and nothing will improve for our children.

EE FAILS THE TEST. Vote No!
